

GHANADISTRICTS.GOV.GH VISITS BIRIM SOUTH

DISTRICT

Four Delegates from GhanaDistricts.Gov.GH visited Birim South District on Tuesday, 6th June,2023. Their main purpose for the visit was to update the Birim South District Assembly's page on their website on the various projects happening in the district. The updates included land size and boundaries, projects both completed and on-going under the supervision of the Assembly.

An exclusive interview was granted by the District Chief Executive (D.C.E), Honorable Asare Danso and the Engineer of the Assembly, Ing Emmanuel Brenya Otchere. After the Interview, a team from the District Assembly (D.C.E, Engineer, Planner, and MIS) together with them visited some projects in the district.

The following sites were visited;

ADUASA

Ten lockable stores

Mechanized borehole

Two Unit Classroom block with auxiliary facilities and furniture

I.C.T Lab

SWEDRU

- Court Complex
- Twenty lockable stores
- Electricity extension for ten communities
- Agenda 111 Project
- Fire Hydrant

AWISA

- Ten lockable Stores
- Library by the Member of Parliament
